Down Valley Divas

Based out of the Eagle Ice Rink, our team consists of local women, all beginner and intermediate players, who have a passion for the sport of hockey.

Each season we compete against teams from Vail, Glenwood Springs, Aspen, Steamboat, Summit County, and Denver.

Hockey is an expensive sport as ice time and travel to games and tournaments starts to quickly add up.

The Down Valley Divas would like to ask for your help in attaining our financial needs to allow women of *all* abilities and financial levels access to the great sport of hockey.

If you would like to sponsor our team.

We promise to promote your business to local and traveling teams. You will also receive acknowledgement from our team in our Vail Daily end of season press release along with our team patronage.

You also get to know that you have played an important role in helping support the growth and development of women's hockey in Eagle County.

We would love your support in any capacity. ☺
